From "NO FUN" To "CLOSED WON"

Sales has always been in my **DNA**. From selling clipboards in primary school to closing over **$2.5 million** in deals to date, I have consistently demonstrated an innate talent for identifying opportunities and delivering results. With **15 years** of professional experience, I have honed my skills in *Sales Strategy, Sales Leadership, Sales Ops, Customer Success and Sales Engineering* across **SaaS**, **B2B**, and **DTC** environments.

Leveraging frameworks like **BANT** & **MEDDIC/MEDDPICC** and methodologies like **SPIN Selling** and **Gap Selling**, I excel at **Deep Sales** through navigating complex sales cycles, handling objections, and negotiating effectively. My consultative approach has not only driven significant revenue growth but also built enduring **client relationships**. Whether it's pioneering *sales strategies*, *mentoring teams*, or *exceeding ambitious targets*, I bring passion, precision, and a relentless drive for success to every opportunity.
